

# Daring Faith

Theme for the week... Building a life of Faith

Costs involved, but the rewards are great.

Today's message title... What happens when you have Faith.

From beginning to end it's all about Faith

We connect with God by Faith, we live by Faith, we please God with our Faith.

It's good for us to develop our Faith

FAITH IS NOT      Desire  
                         Pretending  
                         Feeling

FAITH IS      Being certain of things we do not (naturally) see.

**Hebrews 11:1**

Learning to see from God's point of view.

It is about our (spiritual) sight. Our vision

There is an unseen realm for us to discover, we can be enlightened!

Contrast between Faith and Doubt

Numbers 13/14.      12 spies into Canaan

Joshua and Caleb... " a different spirit "

Difference between Discouragers and Dreamers,  
dread and doubt or Daring Faith!

Always more discouragers than dreamers.
