

# Goliath must Fall

Comfort...safety first, risk averse, limited faith, we can be restricted by our comfort zones.

Even when we know, God wants to stretch us, test us.

1 Samuel 17

Israelite Army suspended in some sort of comfort zone, motionless, inactive.

No one willing to step out in faith, to take a risk... David steps up!  
When we fail to step up, fail to take risks, fail to make the most of the moment,  
We can live with regret.

If we remain too long in a comfort zone, it can in itself become a danger zone.

Too comfortable,... Familiarity

Institutionalisation will be our outcome.

( Big challenge for church leaders )

“If you do what you’ve always done, you get what you always got”

In the comfort zone... tendency to procrastinate.

Jesus challenges this...**Luke 9:57- 62**

We can miss real opportunities to support Jesus, to serve Jesus.

“The spirit is willing, but the flesh is weak” ... **Matthew 26 : 41**

Comfort must fall ... Faith must rise!
