

Jonah ch 4

The book of Jonah, is about God! His passion for lost people

God will go to Extraordinary lengths, to get the message of salvation to lost people.

This phrase is used in ch 1 and ch 4 several times, God “prepared”.

Hebrew word “Manah”. means to allot, or apportion.

This is about God working behind the scenes with precision and accuracy.

God prepared, To go to extremes.

From largest, to smallest. To motivate, mobilise us.

God prepared, To use difficult people, and stick with them!

God working all the time, to help Jonah, to get him back on track.

Good news for us!

God prepared, To challenge our thinking.

God can remove our comfort zone, bring down structures.

We could be thinking wrongly, we may have come to the wrong conclusions.

God is prepared to remove things to help us see what really matters!

Lost people matter to God!
